

# NOTICE TO PATIENTS

## TRAVEL INFORMATION

Please return your travel risk assessment form to us, as soon as possible (ideally 10-12 weeks before your travel date). We have also shared a list of useful websites for you to consider regarding travel health advice and precautions.

Some vaccinations are chargeable to our patients and you will be expected to pay for your vaccinations / course of vaccinations at your first appointment.

## Travel vaccination fees

Malaria tablets are sometimes purchased from a pharmacy or a private prescription is required for malaria (the pharmacy will also charge you for the drug).
